

QUALITY OF LIFE

Kameda Medical Center

# Our Motto

## Clinical

Providing Quality Healthcare

## Educational

Educating Future Medical Staff

## Our mission

To contribute to the happiness and well-being of everyone involved with Kameda Medical Center, we endeavor to provide the highest level of medical service.

## Our Values

**Most respected *value*:** Devoting oneself to prioritize everything for the sake of our patients.

**Most respected *asset*:** Trust and respect that connect all the staff members.

**Most respected *spirit*:** A challenging spirit that is not bound by fixed ideas

With over **380 years** of history

**Kameda Medical Center** began as a family-run clinic in Kamogawa and has grown into one of Japan's leading private healthcare groups. Incorporated as Tesshokai Medical Corporation in 1954, it now operates 3 hospitals and 7 clinics, with over 4,000 staff.

**Kameda General Hospital** was the **first** in Japan to earn **JCI accreditation**, reflecting a commitment to both global standards and local care. Rooted in innovation, education, and compassion, Kameda continues to advance quality healthcare for communities at home and abroad.

# ACGME-I Accreditation

“

Setting the  
**Benchmark** in  
Medical Education

## ACGME-International (ACGME-I)

is a **globally recognized** accrediting body that ensures hospitals meet the **highest international standards** in graduate medical education – based on the **U.S. model** – focusing on quality, patient safety, and physician competency.

- Among the few hospitals in the region with **ACGME-I** status
- Trains physicians to **U.S.-based international standards**
- **Certified** for both medical education and patient safety
- **Recognized** by global embassies and insurers
- Inspires **trust** and **confidence** among international patients

# Kamogawa City

Where the **Sea**  
Meets the **Fields**  
and **World-Class Care**  
at Kameda

From strolling along the serene Kamogawa Coastal Promenade, to enjoying the  **freshest**  local seafood and exploring  **lively**  morning markets, Kamogawa offers a perfect blend of oceanfront leisure and cultural charm. Just around  **two hours**  from Tokyo by train or car, this coastal city combines warm hospitality, scenic landscapes, and a  **welcoming atmosphere** —making it an ideal getaway alongside world-class care at  **Kameda Medical Center** .

- **Kamogawa Sea World**  – Iconic marine park with dolphin and orca shows, perfect for families.
- **Maebara Beach**  – Scenic white-sand beach with calm waters, ideal for swimming and sunset views.
- **Oyama Senmaida**  – Stunning terraced rice paddies changing with the seasons, a designated cultural landscape.
- **Kamogawa SEASIDE BASE**  – A beachfront café complex with seafood BBQ, craft beer, baked goods, multi-cuisine café, and oceanfront terrace—open all day and pet-friendly.

We *appreciate* your presence and interest.

Let's create the **future of care** —

**together.**
